General Agent's Report

A. Renewal Summary

Autumn Schwerdfager reviewed the final 2021 renewal. Medical renewal with Regence was a 5% overall increase with benefit changes. Renewals so far are averaging 4.7% overall increase. She continued by reviewing the remainder of the carrier renewals which were rate passes except for Health Advocate which the Trust chose not to renew.

B. Renewal and Sales Results

Ms. Schwerdfager continued by reviewing the renewal results and sales to date. January retention was 92% compared to average per Regence of 85%. There were six new groups sales in January for a total of 70 groups on the Trust.

C. Quoting Results/Sales/Terms

Ms. Schwerdfager reported close ratio to date is 4.9% or 6 of 121 quotes YTD.

D. Experience Reporting

Ms. Schwerdfager reviewed the current year rolling 12 months (Jan 2020- December 2020) lose ratio at 70.29%. JD Fulwiler is hopeful this carries through the year and will assist with the Regence retro contract.

E. Vendor Review Policy

Ms. Schwerdfager presented a draft policy for monitoring Trust vendors. She recommended the vendor reviews be conducted by Mike Salsgiver, Executive Director of the AGC Oregon-Columbia Chapter. Susan Taylor recommended, and Trustee's agreed that the policy would be reviewed via email by all Trustees. Attorney Bethany Bacci would then conduct final review prior to Trustee approval.

F. Draft Requirements for Association Health Plans in Oregon

Ms. Schwerdfager reviewed the proposed changes set forth by the Oregon Insurance division. After discussing these proposed changes with Jim Walton, she stated the main item of concern for the trust refers to the Nondiscrimination Based on Health Status proposed change. The proposal states the association may not treat the employees of different employer members as distinct groups of similarly situated individuals based on a health factor of one or more individuals. This would change the current underwriting methodology drastically. This prevents the trust from rating groups based on experience. JD Fulwiler is working with Mike Salsgiver to draft a response from the Trust. There has been no deadline given from the state for comment.

Administrative Items

Review and Approval of Prior Meeting Minutes

Motion: It was moved, seconded, and carried for the Trustees to approve the minutes from the December 3, 2020 meeting.

Administrator's Report

A. Membership Report

Jammie Starr presented membership and demographic information for the Trust as of February 2021. There are currently 71 groups which is an increase of 29% from February 2020. Total members have increased by 22% from 1,764 members in February 2020 to 2,154 members currently. She continued by reviewing employee demographics by age and gender. Based on employee enrollment the trust is 86% male and 14% female. In addition to the 71 groups offering medical, 27 also offer dental and 48 offer vision. This is an increase of 38% and 68% respectively. Ms. Starr continued by reviewing top plans offered by groups as well as group demographics by region. She also highlighted the six new employer groups added for January 2021.

B. Financial Report

Erik Ryan reviewed the financials for the third quarter ending December 31, 2020. Cash with Heritage Bank is at \$148,708, current value of the investments is \$1,137,980 and receivable are 65,183 for total assets of \$1,351,871. With total liabilities and benefit obligations of \$206,099 the resulting net assets available for benefits over benefit obligation is \$1,145,722.

Mr. Ryan noted that aside from the draw down taken in December 2020 the investment portfolio increased by 7.3% from same period last year.

AGC Chapter Update

Mike Salsgiver presented a summary of the investment account performance as it was presented at the Annual Business meeting. Mr. Salsgiver reported growth in market gains of the investment accounts (Operating Reserve, Facility Fund and Retained Earnings). Investment account performance over the last three years has grown from 2.3M to 4.7M. This year the chapter will be looking at ways to best deploy funds. Mr. Salsgiver will be advocating in three different areas. Those areas are Advocacy (political), Workforce Development, and Marketing/Communications (potential for marketing the health plan). Mr. Salsgiver anticipates a decision in May 2021.

Date for Next Meeting

The next meeting date will be May 13, 2021 at 10:00 a.m. via Zoom conference.

AGC HEALTH BENEFIT TRUST

POLICY REGARDING MONITORING OF PROFESSIONAL SERVICE PROVIDERS

The Board of Trustees (the "Trustees") of the AGC Health Benefit Trust (the "Trust") hereby adopts this Policy Regarding Monitoring of Professional Service Providers (the "Policy") for the purpose of monitoring the professional service providers of the Trust.

1. <u>Purpose</u>. The Department of Labor ("DOL") has specific procedural guidance with respect to selection and monitoring of service providers under the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The responsible fiduciary must engage in an objective process designed to elicit information necessary to assess the qualifications of the service provider, the quality of services offered, and the reasonableness of the fees charged in light of the services provided. The Policy is intended to assist the Trustees by establishing guidelines for prudently reviewing the service providers to the Trust. The procedures outlined in this Policy are intended to comply with the DOL's procedural guidance; the Trustees recognize that the procedures may vary depending upon the facts and circumstances of the particular service provider.

2. <u>Professionals</u>. Subject to the terms of the Trust, the Trustees are responsible for selecting the service providers to the Trust and approving the use of any Trust assets to pay their fees. The Trustees are also responsible for prudently monitoring the Plan's service providers and fees on an ongoing basis. If the Trustees delegate any of these responsibilities to another fiduciary, the Trustees will be responsible for monitoring such other fiduciary and its performance of the delegated responsibilities. At the time of adoption, the service providers monitored by the Trustees under this Policy include the Trust's administrative agent, consultant/general managing agent (GMA), auditor, and attorney. Review of the Trust's insurance carrier(s), brokers and vendor partners will generally be in accordance with the consultant/GMA's monitoring procedure, rather than under this Policy.

3. <u>Regularly Scheduled Reviews</u>.

3.1 The Trust will conduct a complete review of the service providers identified above at least once every two years (schedule to be determined).

3.2 The Executive Director of AGC Oregon-Columbia Chapter will coordinate the review and complete the following items (See Exhibit A, Section I):

- (a) Confirmation that there is a written agreement between the Trust and the service provider;
- (b) Confirmation that the services and fees are identified in the written agreement and that the terms of the written agreement are current;

- (c) Confirmation that the services identified are actually being performed and are authorized by the Trust and not in conflict with other Trust governing documents or adopted policies;
- (d) Confirmation that there is no duplication of services between service providers; and
- (e) Provide a copy of the current written agreement for each service provider under review to the Trustees.

3.3 Following confirmation of the above, each Trustee shall complete and review a questionnaire regarding the service provider's performance. See **Exhibit A**, **Section II**. The questionnaire shall be distributed and collected by the Executive Director of AGC Oregon-Columbia Chapter, who shall summarize and present the findings to the Trustees, as well as discuss the findings with the service provider being reviewed.

3.4 The Trustees or a subcommittee of Trustees may meet with the service provider as part of the review. Following any performance review meeting with the service provider, the Chair of the Trustees or a representative of the subcommittee shall submit a performance report to the Trustees, which will be documented in the Trust's meeting minutes. The performance report may include a list of objectives for the future.

3.5 Copies of the performance report, if in writing, and meeting minutes, including any objectives for the future, will be maintained for a minimum of seven years.

4. <u>Investigative Reviews</u>. If a change in circumstances or facts come to the attention of the Trustees that may warrant review of a service provider, and the service provider has not adequately addressed the change or facts to the Trustees satisfaction, the Trustees will conduct an investigation of the facts and circumstances. Examples of items that may trigger such review include a change in the affiliation or corporate structure of the service provider; change in the primary individuals who provide services; questions regarding the appropriateness of fees; or concerns over potential prohibited transactions. Any such review will be documented through either a written report, correspondence, or in Trust meeting minutes.

Adopted this 23rd day of April, 2021.

Executive Summary

 The American Rescue Plan Act (ARPA), signed into law on March 11, 2021, requires in part, employers to provide free COBRA coverage to employees (and family members) who qualify for COBRA due to an involuntary termination of employment or reduction in hours. Employers are required to offer free COBRA coverage between April 1 and September 30, 2021 (the "Subsidy Period").

Vimly adopted the DOL new model COBRA Election Notices and communications regarding this subsidy and has sent required notices to all employees that experienced a termination or reduction in hours prior to and within the Subsidy Period; and to all employees that are still within their COBRA coverage period (generally from November 1, 2019). **Vimly only provided notices for clients/employers in which Vimly is the current COBRA Administrator.**

- 1. Vimly sent required notices to:
 - i. all QBs that experienced a COBRA qualifying event and are, or would be, still in their election coverage period, (generally QBs with a qualifying event since November 2019); and
 - ii. all QBs that are still within their COBRA coverage period (generally from November 1, 2019) for clients/employers where <u>Vimly is the current COBRA</u> <u>Administrator.</u>
- 2. Notices went out last week ahead of the May 31, 2021 deadline.
- 3. Vimly will process all COBRA elections and document/track eligible AEIs as attestation/election forms are received.
- 4. Upon receipt of the COBRA election and request for subsidy assistance from the member, Vimly will contact the employer for confirmation of the member's termination reason.
- 5. Vimly will track all COBRA premiums paid or due during the Subsidy Period. To help determine reimbursements and tax credits.
- 6. Process refund if AEI paid premiums for any month within the Subsidy Period.
